CHATTERBOX CAREER GAME

Learn about different careers in the creative and built environment industries!

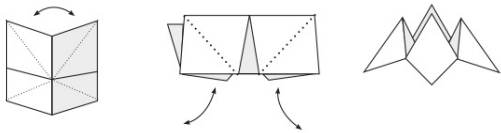

How to fold the Chatterbox:

1. Cut out the square, fold each corner to the opposite corner. **2.** Fold all corners to the centre of the paper. **3.** Now your paper should look like this

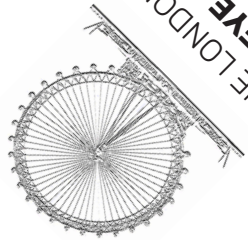

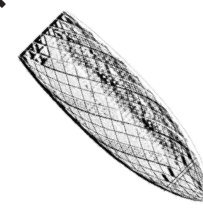

4. Turn the paper over so the folds you just made are facing down **5.** Fold all the corners to the centre of the paper on this side **6.** Now your paper should look like this

7. Fold in half and unfold, and repeat in the other direction **8.** Put your thumbs and index fingers in the pockets under the images **9.** Open the chatterbox!

How to Play:

1. Ask a friend to pick a building.
2. Spell out the bold word as you move the chatterbox back and forth (i.e. EYE, 3 letters = 3 moves). Hold it open at where it lands.
3. Ask your friend to pick one of the four character descriptions revealed.
4. Open the flap of the one they chose and read out the future career idea underneath.
